Statement:

The above information is provided in good faith. All companies are without guarantee or recommendation, merely a referral to associated companies and contacts. We do not accept any responsibility for the actions of the listed companies.

All students are strongly advised to make sure all possessions are adequately insured and that you receive full details of your insurance policy, reference number, and how to make a claim. Many companies will offer insurance; check the terms as cover may be limited if you pack your own belongings and may not cover breakage of items. Complete and keep a full list of the items you are sending (and their value) so you can work out how much insurance you need.

Note: With thanks to Thanet College International Office for providing much of the above information.
